

# BINOCULAR HARNESS STRAP

ATTACHING THE BINOCULAR HARNESS STRAP

- Attach the D ring to the clip.
- From new, unloop the strap from the buckle completely.
  - Loop the strap through the buckle once.
- Thread the strap through the strap loop on the binocular from bottom to top.
- Loop the strap again through the buckle, passing underneath the original loop.
  - Repeat on the other side and adjust length to suit personal preference.
